

September 16, 2016

Greetings from Camp Perkins!!

I pray the summer has been wonderful and God continues to bless you with grace and mercy. We are busy at the camp office getting ready for another great summer...yes, already! We have appreciated your partnership, and we continue to rejoice in how many communities we have an opportunity to serve! The summer of 2016 included 14 Daycamp Congregations, with the good news of Jesus Christ shared with over 500 participants and volunteers. This could not be possible without your prayers, service, meals, beds, donated craft supplies...the list goes on. I want to personally thank you for your stewardship and hard work to make this possible.

In 2016 our Daycamp Program made a few changes to the logistics and we plan to continue that in 2017 to better utilize our staff and accommodate the desire for congregations to schedule Daycamps in early summer while the weather is still a bit cooler.

Your Congregation will have an opportunity to choose from three different package options.

- **Option A: \$1000** for congregations planning Daycamp for 30 campers which includes 3 staff, plus \$5 per camper over 30. *
- **Option B: \$1150** for congregations planning Daycamp for 30-75 campers which includes 4 staff, plus \$5 per camper over 40. *
- **Option C: \$1300** for congregations planning Daycamp for over 75 campers which includes 5 staff, plus \$5 per camper over 50. *

*All Packages will be charged a mileage fee for travel to and from the site at the IRS recommended rate. As much as possible, we will try to average this out over the churches for some cost savings.

Registration Discounts:

Reservation form & Deposits postmarked by October 15, 2016 receive a \$100 discount. Both must be received for the discount to apply.

Member congregation's fee will be 10% off of the base cost.

Not a member congregation? Contact Signe (signe@campperkins.org) to join our member association! Your congregation will have input on the direction of Camp Perkins, a representative at the Delegate's convention and elect the Board of Directors, and receive 10% off Day Camp and any congregational retreat at Camp Perkins.

We are requesting that all Congregations fill out the Daycamp Reservation Form and send it in with the deposit of \$350 (if a deposit for 2017 was not already made with your 2016 payment). This form is intended to help aid us in better pre-summer communication with each church and to ensure the correct contact information is given upon registration as we understand that coordination may change from year to year.

Please mail reservation form and \$350 non-refundable deposit to:
