You can find directions through Google Maps by searching for "Camp Perkins LOM." Camp Perkins is located 40 miles north of Ketchum and 20 miles south of Stanley off ID Hwy 75 on Alturas Creek Road. From the south, drive five minutes north of Smiley Creek Lodge to Alturas Creek Road on the left. From the north, drive 20 minutes south of Stanley and turn right onto Alturas Creek Road. Look for mile marker 168. From both directions, you will see the brown Forest Service signs for Alturas Lake. You will then follow the signs into Camp Perkins.

Check in/On-site Registration

- If your program begins on a Sunday, registration is from 2:30-4:00pm.
- If your program begins on a Friday, registration is from 6:30-7:30pm.
- Pay attention to pre-event emails to let you know if there is any variation from the above times.
- Due to other programs, we are not able to check-in any participants before this time.
- **Please do not bring pets** with you to camp, as they are not permitted on our site.
- All camp payments are due by June 1 including payments for Trading Post and camp t-shirt.
- Upon your arrival, Camp Perkins staff will be present to greet you and direct you to the Parking Lot located near the Retreat Center. Check-in is located in the Retreat Center, where you will receive housing information.
 - Please bring with you to the check-in table any medications, vitamins, or topical creams.
 - Please leave your luggage in your car until you have checked in.

Check-in Table - All campers will visit two stations before going to their cabins. At the check-in table you receive the housing assignment. If you would like to leave mail for your camper, you can turn that in at the check-in table. Completing forms and making payments online in advance will greatly speed up this process!

Health Care Tables - After visiting the check-in table, all campers will visit the Health Care Volunteer or a health care assistant. There will be multiple tables, so please follow staff directions.

If you do bring medications, vitamins, or topical creams, including over the counter medications, they must be in their original packaging. If you are not sure if something should be checked in, please bring it to the Health Care table or leave it at home. The Health Care Volunteer or assistant will review the camper's health form.

Cabin - After you have gone through registration and health care, you can go back to your car to get your things to take to the cabin. There will be volunteers to help you transport luggage. At your cabin, campers will be able to select their bed and meet the cabin counselor. Parents and Guardians must check in their campers with the counselor.

Trading Post - After you have visited your camper's cabin, please take some time to visit the Trading Post. You are welcome to buy Camp Perkins souvenirs, cold drinks or snacks. Please remember any Trading Post spending money for the week needs to be paid in advance online. We will not be accepting cash or checks at registration. If your child brings their own snacks for the week, drop them off at the Trading Post so they can be labelled and set aside.

Check out - Pick-up Information

Friday pick-up is at 11:15 a.m. We invite you to join the camp community at the Outdoor Chapel for our closing celebration and to sign out your camper. We ask that you do not seek out your camper in the cabin areas before the closing celebration, as the campers are in their last Bible Study time. After the closing celebration, we invite you to join us for a lunch in the lodge. Before you leave, please:

- Sign out your camper with their counselor
- Take home all medications (their counselor will have them on Friday)
- Visit the Trading Post
- Join us for lunch!

You may make a free-will donation for the meal at the Lodge. Donations for our summer mission project can be made at the Trading Post. Please do not bring pets with you to camp as they are not permitted on our site.

If your program ends on a Sunday, the program will finish at 11:00 a.m. Breakfast will be the last meal provided for the weekend programs.

Packing List

The following is a suggested list of what your child should bring to Camp Perkins. Included are some things which are necessary and others which we prefer they leave at home. Some notes on packing:

- Pack everything in one duffel bag and sleeping bag. A dark color pillow case is best.
- Clothes and equipment do not need to be new; borrow those things you do not have.
- Participants will probably get wet and dirty.
- Temperatures can drop below freezing any time of year.
- Please have all clothing and possessions clearly labeled with first and last name in waterproof ink.

Required:

<input type="checkbox"/> Sleeping bag	<input type="checkbox"/> Pajamas	<input type="checkbox"/> Shampoo/Conditioner	<input type="checkbox"/> Water Bottle (<i>with campers name on it</i>)
<input type="checkbox"/> Pillow (<i>recommend a dark color pillowcase</i>)	<input type="checkbox"/> Towel	<input type="checkbox"/> Toothbrush/paste	<input type="checkbox"/> Pencil
<input type="checkbox"/> Pants (extras)	<input type="checkbox"/> Soap	<input type="checkbox"/> Toothbrush/paste	<input type="checkbox"/> Flashlight
<input type="checkbox"/> Shorts	<input type="checkbox"/> Undergarments	<input type="checkbox"/> Toothbrush/paste	<input type="checkbox"/> Insect Repellent
<input type="checkbox"/> Shirts (extras)	<input type="checkbox"/> Socks	<input type="checkbox"/> Chapstick	<input type="checkbox"/> Sunscreen
<input type="checkbox"/> Jacket	<input type="checkbox"/> Shoes (<i>will get muddy</i>)	<input type="checkbox"/> Swimsuit	<input type="checkbox"/> Deodorant
<input type="checkbox"/> Sweatshirt	<input type="checkbox"/> Sandals (<i>securely fastening sandals are best</i>)	<input type="checkbox"/> Warm hat/beanie	
		<input type="checkbox"/> Bible	

Pro tips:

- Medicine – keep medicine, topical creams, etc., handy on the outside of the bag since you will have to turn these in at check in
- Hanging toiletry kit – helps them find what they need for that trip to the showerhouse
- Mesh bag - to take shampoo, conditioner, and soap into the shower.
- Flip flops - work great to get to and from the shower and to wear in the shower.
- Mesh laundry bag – so they have a place to put their dirty clothes each night
- Garbage bag – to pack for the trip home. Keep wet things out of their bag and often it doesn't go back in as neatly as it came.
- Roll their clothes to save space. Uber pro tip for younger campers – roll their clothes in an outfit and put in a ziplock labeled for each day – underwear, socks, shirt, all rolled up in their shorts.

Please Do Not Bring

- Candy, food, or gum
- Cell phones
- Items of intrinsic value (jewelry, etc.)
- Cell phones
- Knives/Weapons
- Common over the counter medications
- Portable electronics
- Alcohol/drugs
